

# ALUMNI NEWSLETTER

**News and notes for and about the members of the Morehead, Kentucky Alumni Association of Sigma Alpha Epsilon Fraternity and Kentucky Gamma Chapter at Morehead State University.**

Fall 1984

---

This newsletter may be your last ---

The circulation of newsletters is both time consuming and expensive when they go to inactive members. This will be the last Alumni Association Newsletter mailed to the entire mailing list during the '84 - '85 membership year.

You can keep the lines of communication alive by mailing your check today and becoming an active alumni member. Please join the members listed below as active members for this year.

Tom Adams  
Richard Baxter  
John Beall  
Doug Collier  
Gregg Collins  
Mark Dikeman  
Tom Faig  
Ed Flege  
Dennis Flynn  
Tom Fox  
Tony Gast  
Paul Haller

Jimmie Hicks  
Wayne Hood  
Martin Huffman  
Ralph Jessee  
Chuck Lee  
Tom Meadows  
Michael "Irv" Meyer  
Mitch Mullins  
Luster Oxley  
Tim Purdon  
Tom Queen, Sr.  
Terry Reynolds

Ken Reed  
Ralph Russell  
Rick Schorder  
Bruce Shaw  
Dale Smith  
Jeff Smithson  
Walt Terrell  
Jim Urlage  
Ross Waddell  
Ed Whitt  
Tom Yenowine  
George T. Young

Please let us know what you are doing and where you are so that we can include you in our next newsletter which is scheduled for early winter.

The Fall 1984 Pledge Class of Kentucky Gamma Chapter  
cordially invites alumni of the Chapter and the Campus Club  
to "CASINO NIGHT"  
on Friday, October 19, 1984  
at 9:00 p.m.  
The Kentucky Gamma Chapter House - Morehead, Kentucky

## SEMI-ANNUAL REPORT

by

Wayne D. Hood, President

As the 1984 Homecoming Weekend at MSU approaches (October 19th and 20th), I wish to present you with a summary of the activities of the board of directors since the annual meeting this past April in Cincinnati.

The board has established five primary goals for the 1984-1985 year:

1. Newsletter publication
2. Newsletter publication
3. Newsletter publication
4. Membership recruitment
5. Fund raising

The goal of newsletter production was emphasized since every aspect of our operations, including membership recruitment and fund raising, is dependent upon effective communication by the board with the members and potential members of the Association.

Two newsletters have been produced by the board since April and others are planned for the winter and spring of 1985. By improving our publication function, the board can hopefully accomplish its goals and also provide a valuable information service to the members of the Association. As always, the input of Campus Club and SAE alumni is solicited for inclusion in future newsletters.

Aside from the emphasis on newsletters, the board has been quite active. Membership cards were presented at the chapter Awards Banquet to the graduating seniors. At board meetings in Morehead (May) and Cincinnati (July), the general business of the Association was conducted along with detailed discussions concerning the best methods to employ for the accomplishment of our goals. Between meetings, a formidable task has been undertaken by the board. We are attempting to establish contact with alumni brothers who graduated in each decade since 1933 so that the scope of our membership can be expanded. The individual assistance of every graduate of Campus Club and SAE is greatly needed for this effort.

Finally, at the mid-point of the board's term, planning for the 1984 Homecoming Weekend at MSU is underway. The accompanying newsletter should provide you with a schedule of activities. The board looks forward to your attendance (in spirit if not in person)

Much is yet to be done but the board is steadily making progress. By the time of our annual meeting next spring, the 1984-1985 board of directors hopes to be able to present you with a report indicating a year of achievement.

Respectfully submitted,

*Wayne D. Hood*

Wayne D. Hood, President

## Alumni Notes ---

TONY GAST is the Regional Manager for Electronic Data Systems in Columbus, Ohio.

ROSS J. WADDELL retired in 1981 as Superintendent of School for Personnel in Del Rio, Texas. Since retirement he has been self-employed as a writer. "Looking back over 47 years to the summer of my graduation in 1937, the graduating members of The Campus Club were less fortunate in getting employment situations as favorable as the listings in the last newsletter. With these career advancement opportunities I can only add my best wishes for them to continue to share these blessings in full measure."

MARK DIKEMAN adds to our last report that he is a design engineer with Delso Electronics in Kokomo, Indiana.

Meet The Winner Of Our  
Salesman Of The Week

Award ...

**ED PASS**

The Chapman Printing Co., Inc.

890 Russell Cave Rd.

(Formerly Transylvania Company)

FRANK BAUMAN is a starter for the Tropicana Country Club in Las Vegas.

ROGER C. MEADE is the Director of Grants and Contracts for Northern Kentucky University.

---

## The Chapter Report ---

Rush for the fall term has dominated the activities of Kentucky Gamma Chapter during recent weeks, culminating with the formal pledging of 24 men on September 24. If the class follows the schedule of pledge education approved by the chapter they will complete their period of probation near Thanksgiving. Initiation into the fraternity as active members cannot occur until January and all of the members post minimum grade point averages.

The house was re-painted in August by the active members returning for the fall term.

An early start in Intramurals has placed SAE well in front of the second place chapter --- 314 to 151 points.

A successful calendar sale was conducted at registration for the fall semester and the membership continues to be the sales representatives for MSU athletic programs at Football and Basketball games. The pepper crop for 1984 is good and should realize a profit when all are marketed. The proceeds of all these activities, along with some assistance from The Morehead, Kentucky Alumni Association of SAE will guarantee a new, energy efficient heating system in the Fraternity House this fall. The new installation is required because the old system, which was used when the house was built, has failed each of the last three winters and caused numerous problems with the water lines.

Alumni Notes ---

RICK SCHROEDER announces that he is the father of a Little Sister in September '84.

KEITH AKERS is employed with a Federal Government Agency providing emergency management for the Eastern Kentucky flood areas.

STEVE RIGSBY has taken a position with Sonitrol in Louisville.

JODY HAMILTON is a teacher and coach at Raceland High School and is the father of a pledge.

VICTOR McCANE was married to Rebecca Jane Tackett in August.

TOM DeLUCA will marry a Little Sister from Eastern Kentucky University on Homecoming Weekend.

BOB SHIVER is the recent father of a pledge.

REX RINEHART recently moved to the Mile High City of Denver. He's temporarily located with JEFF WORSTELL while he looks for a job in the Ski Resort areas.

WAYNE HOOD and KENNY REED are still waiting on the results of their recent Kentucky Bar Examinations.

STEVE HUNT has taken a position as an instructor of Business and Data Processing at Morehead State University.

ROBBIE McGRATH owns and operates Robbie's Car Care Center in Morehead.

WALT TERRELL has a record of 10-12 as a pitcher for the Mets going into the last week of the National League Baseball schedule.

CAPTAIN BOB BROCKMAN is at the USAAD School in Ft. Bliss, Texas.

BRAD BURCHETT is a loan officer at Mt. Sterling National Bank.

DAVID "ONION" COMBS is planning to be married in November.

AL EDMONDSON operates a wholesale plumbing and electrical business in Lawrenceburg, KY.

DR. CHUCK LEE is the recent father of a Little Sister.

GLEN OSKIN is a geologist in Houston, Texas.

WAYNE PRICE recently relocated to Riverdale Georgia.

TOM "Yono" YENOWINE operates Talent Associate, an agent for Independent Talent in Louisville. His card lists musicians, photography, promotions, models, actors, tv-video and art.

GREGG COLLINS was recently married and is gloating that he did not spend one minute lashed to a tree. He also corrects our last newsletter by reporting that he is in Dental School at The University of Louisville, not Medical School as previously listed.
